AMENDED IN SENATE JUNE 22, 2010

CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 1952

Introduced by Assembly Members Niello and John A. Perez

February 17, 2010

An act to amend Section 12509 of, and to add Section 12509.5 to, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1952, as amended, Niello. Vehicles: instruction permit: motorcycle.

Existing law prohibits a person from driving a two-wheel motorcycle, motor-driven cycle, motorized scooter, motorized bicycle, moped, or bicycle with an attached motor upon a highway, unless the person holds a valid driver's license or endorsement for that class, with certain exceptions. Existing law allows a person, who is 15 years and 6 months or older who has a valid instruction permit to drive a motor vehicle and who has successfully completed automobile driver education and driver training, and a person who is 17 years and 6 months or older who has a valid instruction permit to drive a motor vehicle, to operate a ~~two-wheeled motorcycle, motor-driven cycle, motorized scooter, or motorized bicycle, moped, or bicycle with an attached motor,~~ with certain exceptions during hours of darkness, on freeways, and for carrying a passenger. Existing law provides that a person under 21 years of age may not be issued a class M1 or M2 license or endorsement to drive a motorcycle, unless he or she provides evidence satisfactory to the

Department of Motor Vehicles of completion of a specified motorcycle safety training program.

~~The bill would instead prohibit any person under 21 years of age from operating, or obtaining an M1 or M2 license to operate, a two-wheel motorcycle, motor-driven cycle, motorized scooter, motorized bicycle, moped, or bicycle with a motor attached unless he or she has obtained and held for 6 months a valid instruction permit pursuant to procedures established under the bill~~ *require a person, depending on his or her age, to meet certain requirements to obtain an instruction permit prior to operating or being issued a class M1 or M2 driver's license to operate a two-wheel motorcycle, motor-driven cycle, motorized scooter, motorized bicycle, moped, or bicycle with an attached motor. A person issued an instruction permit pursuant to procedures established under the bill would be restricted from operating those vehicles during hours of darkness, on freeways, and while carrying a passenger. The bill would provide that an instruction permit issued pursuant to these procedures would be valid for a period not exceeding 24 months from the date of application.*

Because, under existing law, a violation of the Vehicle Code is a crime, this bill would impose a state-mandated local program by creating new crimes.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
